Hello,

I included these links to the maps last week. Could you let me know if they are also not opening for you.

Hello,

The Districts tool does not allow for proper PDF or other image file downloadable formats. Because of this, we submitted a JSON file, so as to account for the specific data we worked on. I am able to send this shared link form, please let me know if this works.

Sofia - We are not able to open the maps. Can you send it in a different file format?

Thank you.

Hello,

We would like to submit these two maps on behalf of the Sacramento Central Labor Council Executive Director, Fabrizio Sasso, to be considered for the 2021 County Redistricting Plan.

Thank you,
