Hello,

I am a resident of Rancho Murieta and understand there is a meeting to redistrict our community.

I am opposed to being placed in District 5. At this time, I believe our community has more in common with the growth and changes going on in the Folsom area.

Also, if we are placed in a different district, our community will have had our fourth supervisor in that past eleven years. This does not allow continuity and a representative to really know the needs of this area.

My vote is keeping Rancho Murieta in District 4. I support only NCD-201 map.

Sincerely,
Kelly Harris

Hello

I am a resident of Rancho Murieta and I support MAP NDC-201.

As John Merchant has highlighted, we feel that we would be best represented by a supervisor who will consider us as they work on issues important to us: Jackson hwy traffic, Scott Rd, Grant Line development, Kiefer Landfill management, etc. Any redistricting that separates us from these areas is likely to stifle our voice in important discussions.

Thank you for your consideration,
Lisa and Byron Wise

To Whom it my concern,

I am a resident of Rancho Murieta and I support MAP NDC-201!!!!

We have nothing in common with the out lying areas that the new map wants to put us in. It takes me 17 minutes to get to Iron Point road in Folsom. It takes me 35-40 minutes to get anywhere in Elk Grove. The new Foldom houses are within 10-15 minutes of us. Most of us will have our kids go to the school there.

Why would you put us in a district with Isleton, Hereld, etc... Most of us don't even know where those places are.

We are in between Folsom, El Dorado Hills, and Anatolia.

Please recognize that we are a Golf Community that work and do most of our shopping, eating out, etc... In our surrounding communities not in the farmlands. 202 & 203 are absolutely ridiculous!!!!

Respectfully,

David and Michelle Craft
