I am a resident of Rancho Murieta and I support map NDC-201. Most of the issues we have that concern us in the next 10 years have much more in common with district 4 and than with the district 5. Please retain this map.

As a resident of Rancho Murieta these issues are extremely important to our community:

- The Grant-line Intersection
- The Connector (and its impacts on our evacuation plan)
- Scott Road (as it approaches 1 million annual trips)
- Landfill expansion and 'good neighbor enforcement of trash on Jackson Road'
- An application for 795 new homes
- a traffic signal for the Stonehouse Road
- Sheriff support and routine patrols
- Accessory dwellings and the long term impact on our community

Because of these issues, I support MAP NDC-201.
