

# Sacramento County 2021 Redistricting

## Public Participation Kit

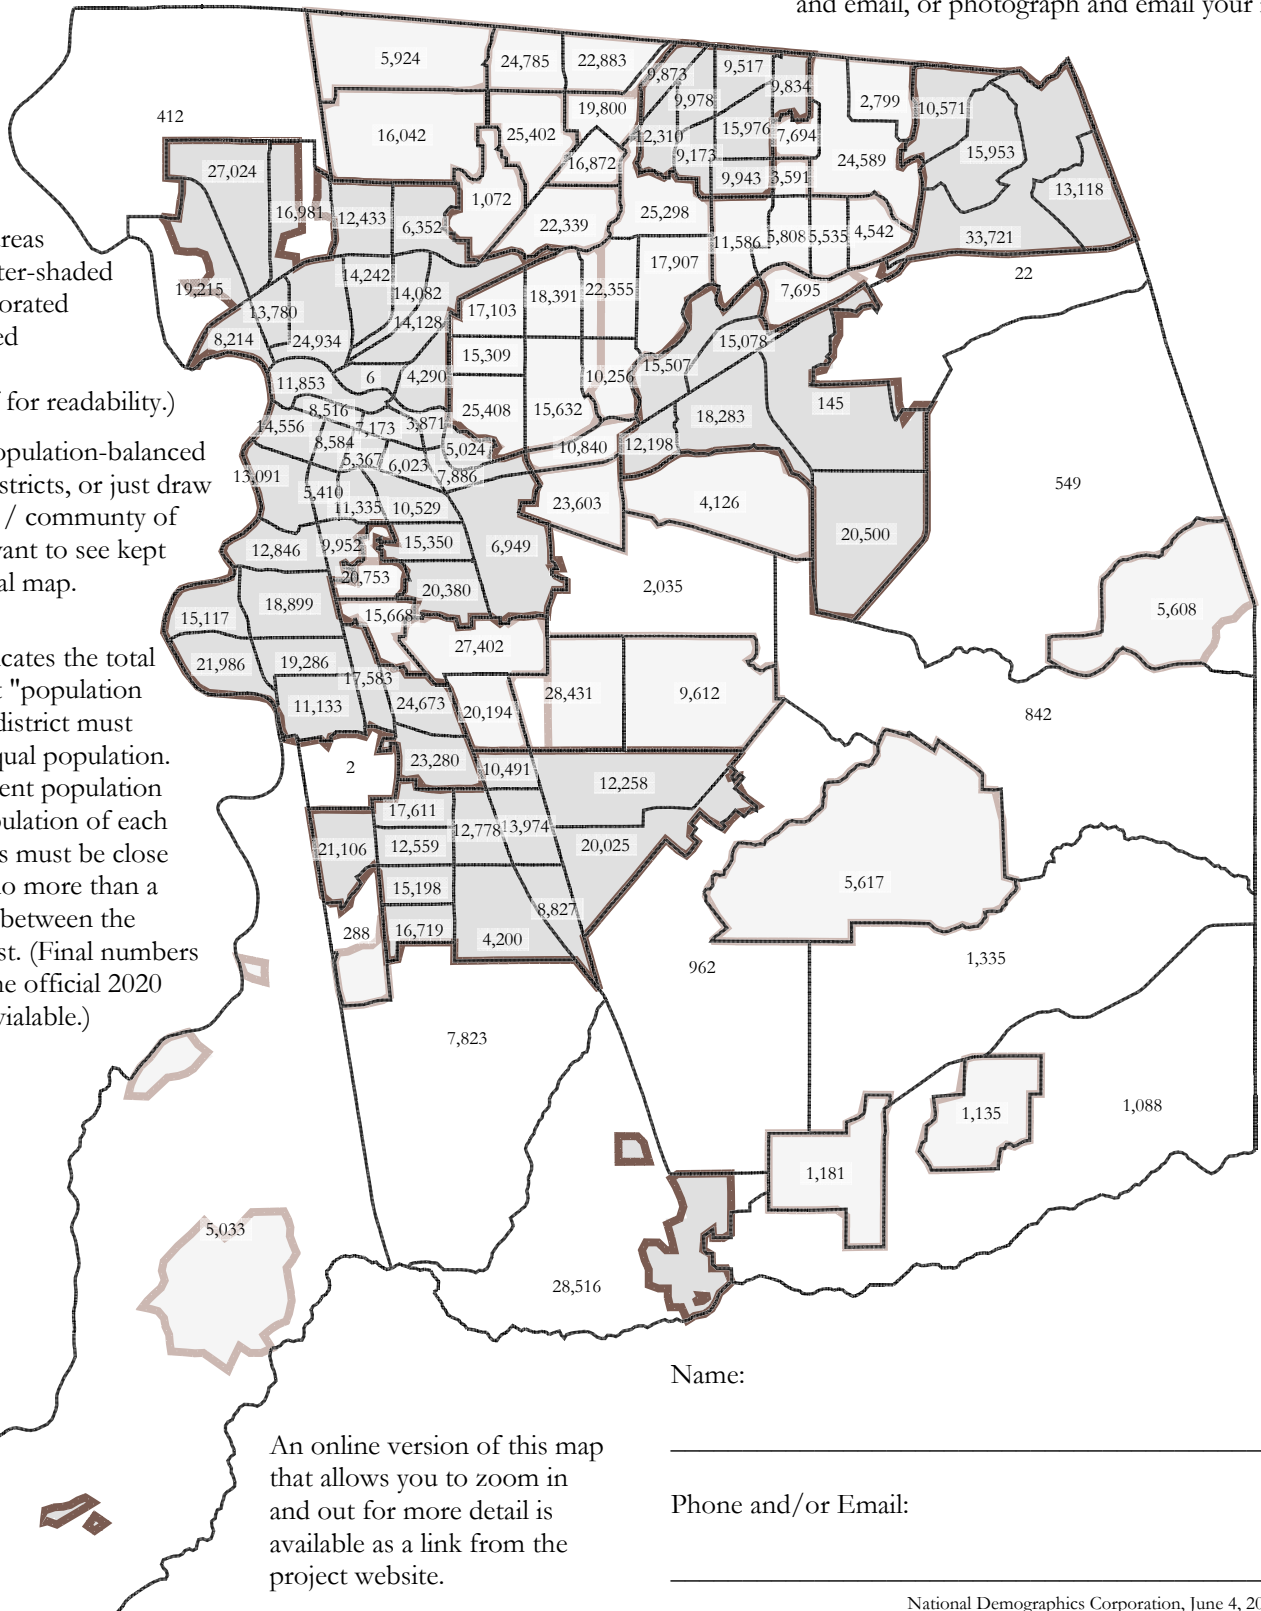

### Total Population Numbers by Population Unit

Please use a thick dark-colored pen to draw your map, then submit it at the County Administrative Center or by email to [Redistricting@saccounty.net](mailto:Redistricting@saccounty.net). You can hand-deliver, mail, fax, scan and email, or photograph and email your map.

The dark-shaded areas are cities. The lighter-shaded areas are unincorporated "Census Designated Places, or CDPs." (Labels are left off for readability.)

You can draw a population-balanced proposed set of districts, or just draw the neighborhood / community of interest that you want to see kept together in the final map.

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. According to current population estimates, the population of each of the five districts must be close to 307,891, with no more than a 30,789 difference between the largest and smallest. (Final numbers may differ once the official 2020 Census data are available.)
