Redistricting Rules and Goals

1. Federal Laws

- **Equal Population**

- **No Racial Gerrymandering**

2. California Criteria for Counties

1. **Geographically contiguous**
2. **Undivided neighborhoods and “communities of interest”**
(Socio-economic geographic areas that should be kept together)
3. **Cities and CDP’s**
4. **Easily identifiable boundaries**
5. **Compact**
(Do not bypass one group of people to get to a more distant group of people)

Prohibited Considerations:

“Shall not favor or discriminate against a political party.”

3. Other Traditional Redistricting Principles

- **Minimize voters shifted to different election years**
